

## Heavy Duty Floor Cleaner

**BioHygiene Heavy Duty Floor Cleaner utilises a low foaming, multi surfactant degreasing system in combination with chelating and alkalinity agents to cut through the toughest greasy soils and make floors less slippery.**

### Cleaner

- Powerful formulation cuts through heavy grease leaving surfaces clean and shiny
- Makes floors less slippery and hazardous
- Removes scuffs, grease, grime and fatty deposits from a variety of surfaces
- Suitable for all water resistant unprotected hard floors
- Effective in hard or soft water

### Leaner

- Suitable for use on most surfaces without causing dulling or damaging paintwork
- Low odour and volatility no chlorinated solvents or flammable alcohols
- Safer for the user than traditional cleaners
- Suitable for internal and external use

### Greener

- Reduced carbon footprint
- 100% PCR – no single use plastic
- Not tested on animals
- 100% Biodegradable
- Renewable and sustainable technology

**FSC**  
FORESTS FOR ALL FOREVER
