

Bio Blocks

Bio blocks utilise specialist microbes to reduce unpleasant odours and prevent the build-up of organic and inorganic scale in urinal pipework.

Cleaner

- Microbes work to remove odour at source
- Reduces organic and inorganic scale buildup
- Keeps pipes blockage free
- Cleans and freshens

Leaner

- Reduces flush frequency to save water costs
- Suitable for all types of urinals/troughs eg stainless steel, porcelain and ceramic

Greener

- Reduced carbon footprint
- 100% PCR – no single use plastic
- Naturally derived ingredients
- No aggressive or caustic chemicals
- Not tested on animals

Bio Blocks

Use Instructions

For urinals: use one block per urinal.

For troughs: place one block every 50cm.
Replace as required.

Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Product is non-flammable so no requirement for secure, ventilated storage. Store at room temperature.

Available Pack Sizes

1.1 KG

BH030
(1 x 1.1 KG)

The UK's leading manufacturer of Biotech cleaning products

- The UK's leading manufacturer of Biotech cleaning products
- Technologies are renewable and sustainable, sourced from plant extracts, fermentation and manufacturing by-products reducing CO2e and environmental toxicity
- 100% UK Manufacture and supply chain
- Post Consumer Recycled bottles provide a circular life cycle reducing CO2e and removing physical plastic pollution
- Our cardboard is made from 100% recycled material, is fully recycled and FSC certified (Forests for All Forever)
- ISO 9001:2015 & ISO14001:2015
- Zero waste to landfill
- Accredited to Carbon PAS2060, we offset our carbon with UK tree planting and VCS projects within the Amazon
- 100% Readily Biodegradable
- All manufacturing wastewater is treated
- Our technology has minimal aquatic toxicity
- Never tested on Animals
